Getting support is as easy as ①, ②, ③!

①

Call or email to start a tech support ticket:
(704) 628-7679, option 3 • idssupport@innovativedigitalsystems.com

②

Our ticketing system will generate an email to you with a ticket #. A technician will be in contact ASAP!

③

Need to add additional details to the support request? Want to show the team a photo? Simply respond to the ticket email and our team will be notified.
